CONGRESSIONAL GENERIC BALLOT TEST: 45% DEMOCRAT, 38% REPUBLICAN
51% DISAPPROVE OF OBAMA ADMINISTRATION HANDLING OF OIL SPILL**

Louisville, CO – The contest for New Mexico Governor is currently a statistical dead heat with 44% of likely voters supporting Dona Ana District Attorney Susana Martinez, 43% supporting Lt. Governor Diane Denish, and 13% are undecided. The ballot test numbers are based on a Magellan Strategies survey of 542 likely New Mexico voters fielded Monday, June 21st. Looking at ballot test results by voter subgroup, we find Republican Susana Martinez doing very well among men (+17) and Democrat Diane Denish with a 12 point lead among women.

It is apparent that the Martinez Campaign has been successful appealing to 20% of Democrat voters. For the Martinez Campaign to be in a position to win, it is critical that she maintain and grow her current Democrat support of 20%. Democrats traditionally contribute 53% to the overall vote in general elections, so numerically Susana Martinez will need support from as many Democrat voters as possible.
